

SHOWDOWN™ WEED KILLER CONCENTRATE

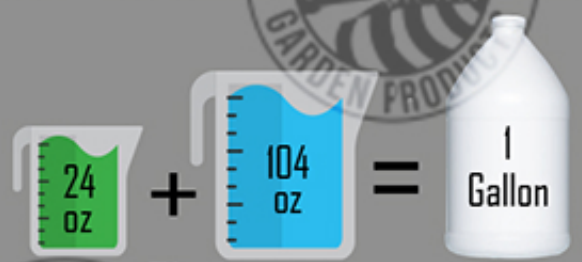

- Systemic
- Non-Selective
- Post Emergent
- EPA Exempt

How It Works

ShowDown™ goes to work by removing the plant's waxy layer and penetrating deep into the roots, completely preventing the plant from uptaking essential amino acids and nutrients.

Directions For Mix

SHAKE Showdown™ REALLY WELL before measuring. Next, start with 24 oz. of Showdown™ concentrate and add 104 oz. of water to make 1 gallon of Ready To Use. More or less of the concentrate can be mixed based on weed size and weed type. Repeat application may be necessary.

Directions for Use

Spraying may be done 8 hours prior to rain or irrigation. You will notice weeds browning in 1 to 2 days of application and complete kill in 5 to 10 days depending on temperature. Showdown™ should not harm higher order plants like trees, shrubs and vines when slight over spray contacts them, however some discoloration may be noticed.

Warning: Showdown™ may stain surfaces, including Asphalt and other materials that absorb oil. Please test spray in a small area before applying Showdown™. Thoroughly wash all food areas and food materials contacted with soap and water.

**SAFE FOR USE AROUND
SCHOOLS & PLAYGROUNDS
WHEN USED AS DIRECTED**

Net Contents: 1 Gallon (3.79L)

PRECAUTIONARY STATEMENTS

WARNING: Not intended for human consumption. Avoid contact with eyes, skin, and clothing. Causes serious eye irritation. May cause skin irritation. May be harmful if swallowed. Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt.

First Aid:
If in eyes: Remove contact lenses if present. Flush eyes with water for a minimum of 15-20 minutes. Eyelids should be held away from the eyeball to ensure thorough rinsing. Get medical attention if irritation persists.

If on skin: Remove contaminated clothing including shoes. Wash area of contact with soap and water. Wash contaminated clothing and shoes before reuse. Get medical attention if irritation occurs and persists.

If inhaled: Remove affected person from source of exposure. Get medical attention if ill effects or discomfort persists.

If swallowed: Do not induce vomiting because of danger of aspiration into lungs. If spontaneous vomiting occurs, monitor for breathing difficulty. Get medical attention if discomfort or ill effects occur. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Poison control center hot-line 1-800-222-1222 if over exposure occurs.

Physical and Chemical Hazards: Do not use near heat or open flame.

Storage and Disposal: Store in cool location out of direct sunlight, heat or open flame. Do not reuse container.

Dispose in trash or offer for recycling if available. Do not freeze.

Warranty
Any liability express or implied is limited to purchase of this product.

WARNING

Showdown™ is exempt from registration with the U.S. Environmental Protection Agency under FIFRA section 25(b) as a minimum risk herbicide.
